Haha

Today I saw you in my dream for the first time

We were hanging out at my grand ma's street

It was night time and you had sudden urge to eat Bun kabab.

You were asking me to go let's get some bun kabab

Don't know the meaning of that dream though

You must be craving for bun kabab aur miss krke soye honge

So mix hokr dream bngya

Or Apne mujhpr daldia

Ke mene bola 😂

Haha, no, I was more amazed to think about that street. I haven't
